5. Enter the VIN at the field for the VIN Code.
You can scan it from the QR code.

6. Enter the last 4 digits of your phone number which you registered at the dealer when you purchased your vehicle.

If you receive the error "Your vehicle has already been registered", please confirm that you have entered a correct VIN. If you see an error message even though you have entered a correct VIN, your vehicle has already been registered for C-DA Service.
